

## MPN CLIENTS & ADVERTISERS (partial list)

Minority Professional Network (MPN) offers various solutions to an increasing audience of corporate, governmental, non-profit, academia, small business and other clients. Our list of current or recent advertising clients is highly robust, and spans multiple industry sectors. The table below reflects a **partial list** of MPN online, e-Marketing and offline clients and advertisers since our November 2001 web portal launch date.
